OLD LOG CHURCH

Work has been going on at the Old Log Church for several weeks in preparation for company during Pioneer Days. The floor was taken up, each board was marked, cement and block foundations put in, beams replaced and reinforced, and the floor put back in. Nothing to show much, but a lot of work towards the preservation of the building. Shown working are (left to right) Rev. Alfred Gum, Howard Barb, Russell Barlow, and Lloyd Wood. Most all of the labor was donated.

Donations have started to come in. Mrs. Natalie Austin, of the Marlinton Motor Inn, gave $100, Sylvia Moore, Huntington, $25, Howard Weatherholt $2, and Frank Hill $1.
